

Wood U Like

tavolino/occasional table

design: Alberto Turolo

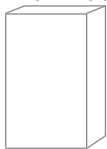

Il tavolino Wood U Like continua la dialettica tra materiali che è alla base della filosofia progettuale della collezione. Il basamento in legno massello con gambe tonde sostiene un piano proposto in MDF rivestito da lastra in ceramica da 3 o 5 millimetri. La base è disponibile in rovere o in faggio laccato in molteplici colori.

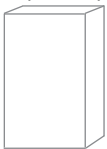

Wood U Like occasional table features the same link among materials according to the collection concept.

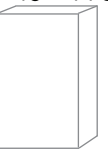

The wooden base with round legs support a MDF top stratified with ceramic 3 or 5 millimeters.

The base is available in solid oak or in beech wood lacquered in different colours.
