Il tavolino Toulip continua la dialettica tra materiali che è alla base della filosofia progettuale della collezione. Il basamento in legno massello con gambe quadrate sostiene un piano proposto in MDF rivestito da lastra in ceramica da 3.5 millimetri o laccato. La base è disponibile in faggio laccato o frassino naturale.

Toulip occasional table features the same link among materials according to the collection concept. The wooden base with square legs support a MDF top stratified with ceramic 3.5 millimeters or lacquered. The base is available in solid ash or in beech wood lacquered in different colours.
