Dal design apparentemente semplice, Soho adotta un telaio in frassino massiccio a tre gambe e lo completa con la porcellana Nero Marquinia o Statuario White per un look e una sensazione di lusso. Gamba liscia e una finitura in nero opaco o naturale completano questo design contemporaneo.

A seemingly simple design, Soho takes a three-legged solid ash frame and tops it with a beautiful porcelain, mimicking the look of Black Marquinia or White Statuario marble for a luxurious look and feel. Smooth leg joins and a matt black or natural finish round out this contemporary design.
